Q: "Skills for Success" is a six-level series with two tracks: reading and writing and listening and speaking. The series provides students with the following knowledge: - Reading and writing skills to read and understand authentic fiction and business texts; - basics of speaking - correct pronunciation, the ability to use grammatical structures and constructions; - listening skills - the ability to understand speech by ear at different intensities, including slow-motion; - speaking skills - the ability to participate in dialogues and monologues; - the ability to apply these skills in everyday communication situations;
