Solucionario Vibraciones Mecanicas - Record. pdf.Their year-long fight for justice, or lack thereof, was captured on video as they were surrounded by police, and the video was broadcast to a state judge, a jury and an audience of nearly half a million people. The ruling last year in Texas marked the first time a U.S. state has legalized gay marriage. Their youthfulness and innocence was not lost on the judge. “They’re just children, they’re not yet married. They’re just getting to know each other. And a lot of times, they’re playing,” said Judge Orlando Garcia, one of the two state Supreme Court justices who oversaw the trial. One of the plaintiffs, Joseph Meyer, said he and his partner, Alan Hubbard, never thought marriage could be redefined. “We just decided that we were going to fight for our rights. And as we fight for our rights, we are thinking back to that first fight, and saying, ‘This is what true love is,’” said Meyer, who now lives in Seattle. At a wedding ceremony in front of the Alamo, Garcia called the newlyweds his role models. “You’ve proven to us that there are such things as true love and marriage,” he said. Hubbard and Meyer said their trial victory was just the beginning. “We’re so excited to get to work,” Hubbard said. “And to make our dreams come true, we have to get moving.” Meyer’s mother and Hubbard’s mother and father were in attendance at the wedding at the Alamo, and many longtime friends of the couple joined in festivities that started the night before. The couple lives in Lubbock, and they said their two-week marriage in San Antonio will be their first visit to the Alamo, about which the couple has held philosophical differences. “But that kind of shows what love is about,” Meyer said. “We don’t care about our history, but we love each other.”

Hubbard and Meyer said they hope marriage will help to close the wage gap for gay couples 3da54e8ca3
