August 13, 2018 - The official RACE 07 WTCC game includes the full 2007 FIA WTCC season, including all cars and tracks, as well as several new support features for classes and ... The official RACE 07 WTCC game includes the full 2007 FIA WTCC season including all cars and tracks plus several new class and car support features. This makes it the most complete, highest quality and most affordable game available to date. This is the perfect addition to the existing WTCC collection which includes the full FIA season as well as F3 and WTCC. This includes all the necessary elements to provide players with an immersive racing experience.
