When you find something in your house that you think can be useful for a project, you can search for it via your on-device Google search. By typing a keyword into your Search bar, the app will tell you whether that item is available for sale on the marketplace and tell you what price others are asking for it. For example, I was considering painting some plates, and after using the app, I quickly found a source for some nice non-stick plates that had clear coat and are dishwasher safe. With the price matching feature, it was easy for me to find a better price for the same plates at [77a5ca646e](#)

GRAND RAPIDS, MI — Starting Monday, May 22, some grocery stores will be required to remove the red “caution” stickers they use to warn customers about products with added sugar and trans fats, a federal ruling says. The decision, issued by the Food and Drug Administration in November 2015, applies to 10,000 grocery stores across the country. Health advocates say the move is the first step toward changing the food industry’s labeling practices. They say the “caution” stickers don’t
