Experience a new fantasy action RPG built on the same engine as FINAL FANTASY XIV. Play as an Elder Drow, an outcast of the Drow race, and do battle with other Drow Lords and their minions. As you progress on your journey, the forces of good will attempt to help you on your path to become a powerful Elder Drow. However, a deep conspiracy of evil lurks in the shadows, and some of the quest bosses you encounter will be... The Elder Drow race. AS A NOTABLE FEATURE OF FINAL FANTASY XIV: A Realm Reborn, you can adventure as an Elder Drow. • Explore a New World The Lands Between can be explored in-depth. Step into the shoes of an Elder Drow and enter the original FINAL FANTASY XIV's setting. • Take a More Active Role in FF XIV As an Elder Drow, you will be able to experience various new gameplay elements, and enjoy a more active role in the world of FINAL FANTASY XIV. For example, gathering of raw materials or crafting the weapons and armor necessary for battle is part of your daily routine. • Explore the Lands Between as a Monster The Lands Between are a dynamic setting with changing and intriguing locations and dungeons. On your journey, you may have to enter into the deepest part of its caverns and fight at the top of the Tower of Eternity. TIME IS RUNNING OUT! • Drow Lords Battle Join this thrilling tale as you enter the world of FINAL FANTASY XIV in a completely different setting! The Elder Drow race is an outcast race of humans that dwell in the vast Lands Between. However, they have had a long history of conflict with the main races living in the Lands Between. It is this conflict that has divided them, and the shadow of evil looms over them. As an outcast of the Drow race, you are not an ordinary member of this race. You have a

## **Features Key:**

Elden Ring is the latest Fantasy RPG produced by Greeko.

It not only is a fantasy RPG with smooth and refined playability, but also provides an experience unlike that of other RPGs

A wide variety of quests await you with the power of the Elden Ring to raise you to be an Elden Lord in the Lands Between

You can create your own character, and change it at any time, and you can freely equip the weapons, armor, and magic that you prefer

In addition to the Internet, the game supports an asynchronous online element that lets you develop your character and meet other players together at any time

To complete quests, you must decide among the Elden Ring, Shrek, Dana, Lynsay, Zhixian, and the potion magic

- "The game's tone isn't some wacky western sci-fi — it's about an improbable magic system and a character you can deeply connect with." - Eric Bornhoffer, staff reviewer for Games.com
- "It's an RTS that really understands how to build a universe with classes and skills and powers and enemies, but also understands that it's the desire to keep things fresh and new that will make you keep coming back" - Erik Wolpaw, creator of "Breaking Bad"
- "The story is taut, the character growth is satisfying, and all three campaigns are a ton of fun to play through." - Mattmuller.net
- "The game is packed with lore and fully commits to its story." - /Film
- "A wonderland of brilliant missions and tactical strategies that so perfectly balances the action and simulation styles that I haven't been this satisfied with the latter genre in years." - HeavyR5

### **What's new:**

**(Nintendo Switch)Today's Switch: "Did the owner say 'You done' to your prior owner?"2015-02-15T00:00:00Z2015-02-15T00:00:00Z**

**The month of February, 2015's bit of brilliance masquerading as garbage, has come and gone. But no way is that *Uncharted 4* Uncharted 4 trailer so good.**

**It is February, after all! I'm sure you see Mario and Luigi's *F-Zero GX* character introduction as well...**

**I love looking at the feature list on Naughty Dog's *Uncharted 4* document for Nintendo's Switch because it contains such a wealth of crazy stuff.**

**It mentions the ability to swim with the dolphins!**

---

**Yup, I knew Naughty Dog always had balls of steel. Now have you ever gone swimming with dolphins? It was disgusting, that's what I'm saying. *Uncharted 4* will have you playing with dolphins, I'm sure. Also, the ability to dab. Dabbing is totally naughty. This actually makes my money on the table, Nintendo. You know I love you but your funds that I won't spend on beer?**

**The game will feature a new Kinect 2.0 camera that will allow you to track your head and hands. Also, a new motion-capture method, simultaneously capturing you and the objects in the game. This level of interactivity and immersion is just a tantalizing glimpse of things**
