We are passionate about creating the game that is the best RPG in the world and will work together with our community to shape this game into your own. In the game, we hope to have you experience the thrill of acting in the midst of an epic drama. If you enjoy roleplaying games and have ever thought about creating your own character, this game is for you. ABOUT DARKFALL LIVE: Darkfall is a game of epic fantasy adventure and strategy where you can assume the role of an Empror. This game is created by a team of experienced developers who have delivered games for games such as StarCraft, Warcraft III, and Diablo II. It is a game that combines the fast action of fast-paced third person action, the stealth gameplay of first person action, and the high fantasy setting of the RPG genre. ABOUT OVERWATCH: Overwatch was released in early 2016 on PC, Xbox One and PlayStation 4. The game is a sci-fi first-person shooter in the style of the MOBA genre. The gameplay follows the story of two special forces soldiers, who are sent to find and rescue an unknown girl that disappeared amidst the operation to retrieve a hijacked war robot. The game has a singleplayer campaign, multiplayer (competitive and cooperative modes, vs AI) and a specialized arcade mode.
