Aerosoft đã tới giải nâng cấp nhỏ lỗi ứng dụng.. Aerosoft, one of the most trusted names in flight simulators,. Aerosoft đã tới giải nâng cấp nhỏ lỗi ứng dụng.[The aging of the cerebrovascular system in human (intracranial vessels). A morphometric study]. Using morphometry methods the authors have analyzed the morphological indices of the pia-arachnoid barriers. The pattern of the localisation of pathophysiological changes in the walls of the arteries and arterioles of the brain in aging has been described, and the morphological characteristics of the arterial-venous barrier in aging have been determined. The development of the elements of the structural and functional systems of the brain in the remote period of life is discussed.Q: Is it possible to find a way to feed wet spring water into a freshly
