June 30, 2016 - Hello. Here is my prototype sample of Myanmar English Medical Dictionary. I'm sure I can't collect all the data alone. But since I am one of the few doctors in Myanmar who can help in case of medical emergency, I am sure that my help can be very valuable for patients. Like other doctors, I use my dictionary to translate data from electronic health records to help patients and patients in Myanmar. Please support me in spreading these terms. Below is a sentence from my dictionary. "Kangwang" It's kind of an antipyretic, although I haven't actually used it.
